## Family Eligibility

Spouse, dependent children, parents 55+, and siblings on a single application. Write to us at [enquiry@passpro.co](mailto:enquiry@passpro.co) and we will map the smoothest application path for your family.

## Timing

Most well-prepared families receive a decision in six to eight months on average. Timing ultimately rests with the government's review, and we prepare every file to move as quickly as the programme allows.

## Why Families Choose Antigua and Barbuda

- Among the most family-friendly structures in the Caribbean: one contribution covers a family of four.
- The UWI route pairs citizenship with a university scholarship for larger families.
- Limited physical presence: five days within five years, then renew for ten more.

*A passport is a document. A plan is an asset.*
