Travel with the Passport

UK travel requires an ETA. Schengen short stays remain visa-exempt; EES border registration is active and ETIAS is not yet operating, with launch expected in the last quarter of 2026. Grenadian nationals may be eligible to apply for the US E-2 visa, subject to the separate visa requirements.

Why Families Choose Grenada

- Grenadian nationals may be eligible to apply for the United States E-2 investor visa.
- Visa-free access to China, rare among the Caribbean programmes.
- Sibling inclusion under a defined supplement, unusual in the region.

A passport is a document. A plan is an asset.

PassPro is a Government Authorised Agent advising on the Grenada Citizenship by Investment programme. Every file we accept is filed through a Government Authorised Agent registered with the issuing country.
